Fire Chief's Report

For

May 2024

During the month of May I attended three meetings. St. Clair Flats Association, St. Clair County Chief's Association and one with the United States Coast Guard. We had a meeting at the Clay Township Hall to plan out Jobbie Nooner this year. Our command post will be on land at Tashmoo South Marina. It will not be on the Bristol Bay again this year. St. Clair County Emergency Management will be bringing their command unit down for the event.

We are being asked to deploy the balloons for this event.

FF Justin Higgins and FF Patrick Gagodzinski passed their Firefighter 1 & 2 class.

FF Justin Higgins received an award from the Oakland County Medical Control, for performing emergency medical care to a fellow firefighter during a training exercise at Oakland Fire Training.

During Township clean-up we took in a lot of used motor oil this year, some paint, antifreeze, insecticides, and household cleaning supplies. It appears we are getting less. It helps that we can take it year round at the main station.

Fire Boat #2 is in the water and in-service. Scoreboard-N-More installed the graphics on the hull.

Fire Department Training:

Fire Rescue1 Academy Training for the month 15 hours

Medical Training 11 Hours

Department / Crew Training: 25 Hours Pumping Engine#4, HazMat Training, Scene Set-up

Lexipol Policies and Procedures Chapter 5 (Emergency Medical Services) and Chapter 6 (Training) sent out for personnel to read and review.

Respectfully,

George F Rose
